Why Clients Choose Concept

We are a modern and innovative company
with national coverage

Our management team have a wealth of experience that means we are able to provide you with the highest quality service on every occasion.

The 'Concept' was created in 2013. Since that time the business has gone from strength to strength and we are now considered by many as the UK's leading water and air hygiene service provider. Our continuing success has come from having a skilled and motivated workforce, managing our business carefully and from providing exceptional customer service.

OUR BELIEFS AND STANDARDS

- ✓ To ensure clients remain compliant as far as regulations and legislation is concerned.
- ✓ To ensure our staff are given every opportunity to develop their careers and to provide a safe and enjoyable environment.
- ✓ To value the environment by identifying and using efficient and economical products and methods.
- ✓ To keep our customers for 'life' by providing value.
- ✓ To exhibit high moral standards at all times.

Client Testimonials

"We have been pleasantly surprised with the feedback from the hotels during our recent audits and the smooth transition from the previous contractor to Concept Environmental. Your engineers are obviously being very mindful of the environments they are working in which is a testament to them."

Rob Reeves
Davies Facilities Management
Village Hotels

"I just thought I ought to write to you in person to express my gratitude for the recent works carried out the disinfection works that were undertaken were completed at very short notice thanks to your willingness to support us and the works themselves were done in a very thorough and professional manner. Having people like Concept Environmental to look after us certainly gives us peace of mind in knowing that we are always compliant as a business."

Gary Honeyfield
TasteTech

"I would like to take the opportunity to point out the professionalism in which [your engineer] carried out his works on site, presenting himself and Concept Environmental as competent in all aspects of his duties. All paperwork was accurate, tidy and well-presented which had been commented on by all parties involved".

Dave Gibbard
CMB Engineering

"Thank you for sending your engineer down today, very good professional engineer, excellent service. Many thanks for your prompt help on this one and I look forward to working with you in the future".

Peter Phillis
Dodd Group Limited

"Thank you for making your guys available, great to see how quickly you were able to respond. I appreciated how they listened to the history and understood my predicament, and how they were professional in their job to resolve the situation. I really appreciated how they stayed later on the Friday".
